

To check campsite availability, you don't even have to log into your account. Just go to our home page TheWoods.camp, click 'Reservations' and then "Find a Site' in the dropdown.

Next, enter your desired arrival date, the # of nights and the type of camping equipment you have. This is also where you would pick a Cabin or Park Model (Tiny Home).

The next screen will present up to 4 options:

- A list of campsites that that matched all your requirements.
- A list of campsites that matched your camping equipment but not all your desired amenities (if you listed any amenities).
- A button to click and book a reservation for our overflow areas.
- A tool to add you to our waiting list in case a cancellation occurs.

If 0 sites are offered, we are sold out of all campsites with your requirements. Please remember,

- Standard weekends have a 2 night (Fri & Sat) minimum.
- Holiday weekends have a 3 night minimum. *July 4th weekend nights vary. See schedule.*
